WIDE+ wishes you a wonderful, happy, relaxed, fund ending of the new year and start to 2020!

We look forward to the new year with you, cooking 'a new global cake, instead of demanding a bigger piece of a rotten cake', quoting famous feminist Gita Sen.

We continue to challenge the systemic causes of inequalities that are rooted in cultures of patriarchy and our current (global) political-economic governance that promotes big business to become bigger, while the rights of individuals continue to be traded out. But we can change this together.

WIDE+ members at the recent WIDE+ strategy meeting in Barcelona, Spain (1 and 2 November 2019).
