WIDE+ is seeking consultants to bid together on TENDER for EU around “Gender Equality Prospects in Labour Markets Transformed by Artificial Intelligence and Platform Work”

WIDE+ is seeking consultants to form a team for this tender call. We would like to ask you if you are interested:

- To join the team preparing a tender bid for this call before 8 June.
- To possibly be one of the researchers or other persons they are seeking for this tender (see below for the team members).

The tender is aims to select the best proposal for the study that will serve as a basis for EIGE’s report to the Slovenian Presidency of the Council of the EU in the second semester of 2021.

It will build further on the BPfA (Beijing Plaform for Action) researching Artificial Intelligence (AI) as it is understood in EU policies, which is quite broad and platform work. They are asking for four publicatiосn, one is a research into labour market, AI and gender Equality; one is a survey around platform work in the EU and gender; another one is a policy review on this same topic and finally they are seeking a synthesis report.

We are seeking consultants for the following profiles:

- Project manager (1)
- Senior researchers (3)
- Researchers (4)

- Statistician (10)
- National researchers (to cover selected EU member states)
- Peer reviewers (2)

We are seeking consultants that can complement each other, covering expertise on gender equality and women's rights, Artificial Intelligence, labour market trends in the EU, analyzing statistical information, setting up a survey, analyzing research and formulating policies. We are specifically searching for researchers based in Europe.

Kindly find more information about the four workpackages for the four studies that they are asking for the tender: [click here](#)
