New webinar series on gender and climate justice - organised by LIFE as part of COPGendered!

Six webinars. Six themes.
One mission: exploring the intersections of gender and climate justice!

WEBINAR SERIES

EXPLORE THE INTERSECTIONS OF GENDER AND CLIMATE JUSTICE

From 8 to 17 September 2025, join LIFE, WIDE+ and the COPGendered partners for a free, interactive learning journey.

This series is based on a brand-new e-learning tool on gender and climate justice – free and open to all. Each webinar is led by the authors of the modules themselves, with speakers joining from across Europe to share expert inputs, inspiring case studies from their local contexts, and guide discussions that build a common foundation for each topic.

Practical information:

- Registration link: <https://life-online.de/gender-climate-webinar-series/>
- 6 webinars starting from 8 to 17 September at 17:00 to 18:30
- Attend one or join them all – complete the series and earn your certificate upon request!
- We highly advise getting familiar with the topic by interacting with the [Gender and Climate learning modules](#), prior to the webinars.
- **Participation is free of cost!**

WEBINAR 1:
INTRODUCTION TO GENDER AND CLIMATE

8 September 2025 at 17.00 - 18.30

GEA MEIJERS
General Coordinator of WIDE+ and currently project coordinator for the COPGendered "Gender and Climate Justice project"

KERIME VAN OPIJNEN
Policy Officer Gender Equality and Climate Justice at CARE Nederland

Webinar 1: Introduction to Gender and Climate!

In this webinar, you will explore the roots of climate and gender inequality: from how climate impacts are distributed across genders, to how feminist perspectives shape policy and community responses!

Hear from Gea Meijers and Kerime Van Opijnen, sharing case studies from their own region that reveal the structural links between environmental degradation and gender injustice.

About the speakers:

- **Gea Meijers** is the General Coordinator of WIDE+ and currently the project coordinator for the COPGendered "Gender and Climate Justice project."
- **Kerime Van Opijnen** is a Policy Officer in Gender Equality and Climate Justice at CARE in the Netherlands.

After the input, join a Q&A and reflection space to exchange ideas with participants from different countries.

lkf Bildung Umwelt Chancengleichheit Co-funded by the European Union

Webinar 2: LGBTIQ+ and Intersectionality!

Why must climate justice include LGBTIQ+ perspectives? This session looks at **overlapping systems of discrimination and how they shape vulnerability to climate change**.

Led by Allis Millegård and Nancy Contreras, this webinar brings stories from LGBTIQ+ communities across the continent and explores inclusive policies and activism.

About the speakers:

- **Allis Millegård** is an adult educator at ABF (Worker's Educational Association) in Sweden.
- **Nancy Contreras** is a promoter of popular education at ABF Väst and project leader of COPGendered at GADIP - a partner organisation Sweden.

The Q&A will be a safe, open space for exchanging strategies for intersectional climate action.

About COPGendered

The project builds up tools, knowledge and methodologies for learners to upskill themselves (in groups, individually or with a teacher) in the relationships between gender inequality and the climate crisis. This includes providing tools for adult education providers.

The consortium for this project consists of seven organisations, with WIDE+ as coordinator. Six partners are WIDE+ member organisations, WIDE in Austria, GADIP in Sweden, KULU Women and Development in Denmark, Mundubat in Spain and CSCD in Bulgaria. coupled with partner LIFE e.V (previously GenderCC). The associations involved are: WIDE+ (Europe), GenderCC/Life e.V in Germany,

This activity is funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or European Commission. Neither the European Union nor the granting authority can be held responsible for them.
